Subject: Support for Proposed Long Beach Airport Terminal Remodel

Dear Ms. Reynolds ,

I support an improved airport terminal project that will provide adequate terminal space and parking while reducing air pollution and traffic congestion. There has been too much delay for a plan.

I agree with the Long Beach Alliance position that the 102,850 square foot terminal with 14 airplane parking positions is the minimum size needed to accommodate the current and future passenger loads.

It is my hope that the City Council actively supports the current Environmental Impact Report (EIR) timeline and avoids further delays.

It is past time to approve a plan for an improved terminal building .

Sincerely,

Ed Zwieback
